

Wine List

Welcome to The Continental!

Please enjoy our concise, yet diverse selection of wines. We've sourced interesting and ready to drink wines from all over the world.

The list is never quite finished and will continue to evolve with the changing seasons.

We believe the wine selection is its own living entity. It has its own character and evolution, and shows itself differently through changing times. We have reclassified some bottles into different categories, giving it a fresh breath and new perspective.

Chef Sommelier,

Eric Chan

Our Mini Vertical

We are in the season of sharing. Below is a small vertical of one of our favorite producers. The bottles and vintages have been carefully selected to show the wines in all their different phases. The balancing of human decisions, climate and weather are decisive factors in a vintage. Maturity and age invite us to experience these factors up close.

Château Tertre Roteboeuf in five decisive vintages

1989 – A late bloomer, one of the most long-lived vintages ▼	760	3800
1990 – Lush and soft, from a wonderful harvest, the wine is ready to drink ▼	960	4800
1996 – A cool vintage for the right bank. Wine shows restrained elegance ▼	400	
1997 – A challenging harvest. This evolution is beautiful with gentle aromas of plums and damp earth. ▼	440	
1998 – A personal favourite, a perfectly balanced glass of wine. Smells like a warm chocolate fruit cake. ▼	620	3100

Château Roc de Cambes

2001 - A beautiful wine, youthful vibrant. 2001 is a Dark- Horse vintage showing gorgeous strides ▼	300	1500
2010 - A ripe and perfect vintage. Ready to drink and perfect to age. ▼	270	1300
