

# Wine List

## Welcome to The Continental!

Please enjoy our concise, yet diverse selection of wines. We've sourced interesting and ready to drink wines from all over the world. The list is never quite finished and will continue to evolve with the changing seasons.

We believe the wine selection is its own living entity. It has its own character and evolution, and shows itself differently through changing times. We have reclassified some bottles into different categories, giving it a fresh breath and new perspective.

Chef Sommelier,

Eric Chan

# Our Mini Vertical

We are in the season of sharing. Below is a small vertical of one of our favorite producers. The bottles and vintages have been carefully selected to show the wines in all their different phases. The balancing of human decisions, climate and weather are decisive factors in a vintage. Maturity and age invite us to experience these factors up close.

## Château Tertre Roteboeuf in five decisive vintages

	150ml	750ml
--	-------	-------

1989 – A late bloomer, one of the most long-lived vintages		3800
--	--	------

1990 – Lush and soft, from a wonderful harvest, the wine is ready to drink	960	4800
--	-----	------

1997 – A challenging harvest. This evolution is beautiful with gentle aromas of plums and damp earth.	440	
---	-----	--

1998 – A personal favourite, a perfectly balanced glass of wine. Smells like a warm chocolate fruit cake.	620	3100

## Château Roc de Cambes
