

Wine List

Welcome to The Continental!

Please enjoy our concise, yet diverse selection of wines. We've sourced interesting and ready to drink wines from all over the world. The list is never quite finished and will continue to evolve with the changing seasons.

We believe the wine selection is its own living entity. It has its own character and evolution, and shows itself differently through changing times. We have reclassified some bottles into different categories, giving it a fresh breath and new perspective.

Chief Sommelier,

Eric Chan
