

# The Bar

“Let me be mad, then, by all means! Mad with the madness of absinthe, the wildest, most luxurious madness in the world.” ~ Maria Corelli

No, it's not the Absinthe, the furniture really is green. Come explore our touchstone spirit, alongside our adoration for old school classic cocktails that will never grow old.

Everyone has to believe in something – we believe you should have another drink. Come between 4:30 and 7:30 for a very attractive happy hour.

# Absinthe

Absinthe was traditionally shared amongst friends and families in bistros and terraces. Iced water is slowly dripped over sugar on to the spirit creating the perfect balance for a refreshing beverage, no stronger than a glass of wine.

## Absinthe Drips

*"To strangle a parrot"*

Meant to have a glass of absinthe. The word "perroquet" is French for parrot and was slang for absinthe around the early 1900s.
